## At Congregation Kneseth Israel

For 100 years Congregation Kneseth Israel has fulfilled a prominent role in the Annapolis and Anne Arundel County Jewish Community. From a family perspective, it has played an important role in the lives of its members. It has hosted many happy occasions. We have attempted to document some of those occasions here. This program identifies the men and women who have celebrated B'nai Mitzvot, Confirmations, and Marriages during the first 100 years. We hope that this listing and the remembrances illustrate that KI influenced the lives of many people and all will think back to those times of joy. We pray that such joy surrounds us all in the future as KI continues to host our very happy occasions.

Our committee thanks all who provided information for this list. Unfortunately, we could not print all information sent to us. However, we will retain all data in our archives. If you find errors, omissions, or wish to add information, contact Steve Sutton at [sjsutton.243@comcast.net](mailto:sjsutton.243@comcast.net) or 410.721.0679.

All names listed without dates were Rev Henry Hammer's students for whom we do not have Bar or Bat Mitzvah or Confirmation dates.
